

Prezados amigos e amigas: trombonistas da IECLB!

Pela graça de Deus estamos preparando o 5º Encontro Nacional de Trombonistas na Paróquia de Schroeder, em Santa Catarina, de 11 a 14 de outubro de 2007. Muitos/as de vocês acompanharam a jornada destes encontros. Começamos bem pequenos e os encontros foram aumentando cada vez mais. O nosso trabalho, a nossa música, enfim, nossa vida é conhecida dentro e fora do Brasil. Vamos recordar um pouco dessa história que ajudamos a escrever:

1. O Primeiro Encontro Nacional e a fundação da Obra Acordai aconteceu em Curitiba – Paraná, de 01 a 04 de fevereiro de 1990.
2. O Segundo Encontro Nacional realizou-se de 07 a 10 de setembro de 1996 em Santa Maria de Jetibá- Espírito Santo.
3. No Terceiro Encontro Nacional tivemos a participação de Hans Knöllinger, de Nürnberg, de 03 a 05 de setembro de 1999, em Timbó – Santa Catarina.
4. O Quarto Encontro Nacional aconteceu de 19 a 22 de junho de 2003 em Domingos Martins – Espírito Santo.

Todos estes encontros só puderam acontecer porque pessoas comprometidas com o Evangelho de Jesus Cristo se empenharam nos mais diversos trabalhos que um encontro dessa magnitude exige.

Com este caderno do Quinto Encontro Nacional queremos destacar dois grandes músicos: Felix Mendelssohn Bartholdy (1809-1847) e Georg Philipp Telemann (1681-1767). Ambos compuseram músicas maravilhosas. Nós agradecemos ao Pastor Hans-Hermann Ziel que nos ajudou na elaboração deste caderno e na adaptação das músicas para o nosso encontro. Da Micaela Berger recebemos uma música muito bonita com o título: "Rondó Simples para Metais" que é dedicada ao coro de trombones em Rio das Pedras – ES.

Este caderno tem duas partes: as músicas apresentadas no culto do Encontro Nacional (páginas 01 a 38) e as músicas que podem ser apresentadas nos encontros com as Comunidades da região de Schroeder (páginas 42 a 65). Na página 40 e 41 encontram-se os textos dos hinos usados no culto. Procuramos confeccionar o caderno de modo a evitar a viração de página no meio da música. Vocês percebem que este caderno quer ser prático, útil e de fácil manuseio. Agradecemos ao Ivânio da Secretaria de Turismo da Prefeitura de Schroeder por nos ceder as fotos da capa do Caderno.

Neste encontro os iniciantes fazem parte em todas as programações. Por isso as músicas marcam as vozes que os iniciantes acompanham. Escolhemos para os/as iniciantes este nome "JOVEM TROMBONISTA". Propomos que os/as jovens trombonistas ensaiem de início as músicas usadas no culto, pois é para louvar a Deus e ajudar a Comunidade a celebrar culto que eles/as se empenham.

É nosso desejo que cresçamos em amor a Deus e em amor mútuo; em disposição para ensaiar bem as músicas, fazendo uso das técnicas que são oferecidas; em alegria por poder participar na missão de Deus em nosso mundo. Deus queira fazer com que a sua vida pessoal, familiar e profissional sejam abençoadas por esta nobre dedicação e participação.

Johann Friedrich Genthner
